Notice of water and sewer rate change

Dear customer,

The Quarry Hill Water Works board of trustees voted on October 6, 2026 to adopt new water and sewer rates. The new rates apply to all service read on or after January 1, 2027. This notice is for your information. It is not a bill, and no payment is needed.

The board is raising rates to fund replacement of aging water mains on the east side and to cover higher treatment costs. Your monthly service charge will rise with meter size, and the volume rates will rise as shown below.

RATE	CURRENT	EFFECTIVE JANUARY 1, 2027
Water usage, per CCF	6.84	7.19
Sewer usage, per CCF	4.12	4.36
Stormwater fee, per month	18.50	19.75
Water service charge, 1-1/2 in. meter, per month	112.40	118.00

The board will hold a public hearing on the rates on November 17, 2026 at 6:30 p.m. at the district office. Written comments are accepted until November 13, 2026 at comments@quarryhill-water.example.

Customers on a payment plan or with questions about how the change affects their account can call customer service at (217) 555-0171, Monday to Friday, 7 a.m. to 7 p.m. We will also post a rate calculator on our website.

Sincerely,

Customer Service
